

Referee Classes

Fall 2010

Be a Referee! Learn the Laws of Soccer! HAVE FUN!

No experience necessary. Only one class is needed to become a certified AYSO Referee. Registration is not required, BUT, please pre-register on www.eayso.org (“Enroll to take a class”) under the Course Number listed below for the class you wish to attend so we have an idea of how many people are coming, or email Jerry Hattox at refjerry@gmail.com

ALSO, as an AYSO Volunteer, you need to have completed and submitted a Volunteer Application. If you did NOT do this during Registration, please go to www.eayso.org and complete a Volunteer Application online and Print out 2 copies (don't use your browsers print function, click on the little printer icon when you “Print Form”) and bring them to your class. (We'll have Long Paper Forms for you to fill out if you can't do this online.)

ALL CLASSES WILL BE HELD AT:
The Boys and Girls Club at Sierra Vista Jr. High
 19425 Stillmore St.
 Canyon Country, CA 91351

For your convenience, we are offering classes on two dates. You MUST attend One of these classes to become an AYSO Referee.
